Cyber-Safety & Cyber-Bullying

This linked set of student-teacher-parent surveys provides you with information about whether your students are experiencing bullying and measures of awareness of cyber-safety issues among students, staff and parents.

The Federal Government's computer rollout for senior students and the rebates available for the purchase of

computers and Internet access will raise the need to ensure that cyber-safety issues are addressed in every school.

CYBER SAFETY AT HOME SPECIAL PARENT EVENTS

A program of Special Parent Events about safety online and strategies to monitor cyber-safety issues with their children in the home commences in May, with events in Adelaide (8th), Perth (12th), Brisbane (14th), and Melbourne (22nd). Other locations will be notified as they are confirmed.

Parents from all schools are invited to register to attend these events. Bookings can be made at:

<http://cybersafety.schoolevent.org>

A fee of \$20 per family applies, or parent and community organizations, and schools can block book 10 or more tickets at \$15 (all prices excl GST and booking fee).

A pre-prepared notice for inclusion in school newsletters is available at:

www.radii.org/cybersafety/parents

SCHOOLEVENT

No software or systems to install on your computers or server — all you need to use SCHOOLEVENT is a standard Internet browser (eg. Internet Explorer, Safari).

The special offer subscription rates also apply to the SCHOOLEVENT Kiosk for 3-months of access — try it out to manage your next round of parent-teacher meetings.

SCHOOL OFFICE STAFF...

- List the dates and times when each teacher is available to meet with parents.
- Block-book any number of appointments for subsequent allocation to specific parents.
- Open or close specific appointment times for each teacher as appropriate.
- Print/email the appointment schedule for each teacher.

PARENTS...

- Make appointments to meet with individual teachers — time slots are allocated on a first-come-first-served basis.
- Receive an email confirming the details of their appointments.
- Phone the school office and have their appointment entered for them, if they do not have access to the Internet.

radii.org provides free access to phone and online help to get you up and running. With our assistance, it will take only 30 minutes for one of your office staff to setup the appointments for the next round of parent-teacher meetings.
