Cyber-Safety & Bullying Survey

This survey will provide you with information about whether your students are experiencing bullying, feel safe at school, and know about cyber safety.

radii.org will run your survey for you:

- customise the survey by adding your crest & colours
- add selected questions relevant to your school's context
- provide students with access to the survey online at school and at home
- run the survey, and
- provide you with a data and graphics report at the completion of the survey.

Purchase item HSK-SPO-SS290208 before Feb 29 at: www.radii.org/shop to take up this *Special Offer*.

School Life Survey

Find out about what would make life at school better for your students early in the year and monitor this during the year — prices as above for a start-of-year survey with **10% discount** for follow-up surveys in Term 2/3 and Term 3/4.

radii.org will run your survey for you:

- customise the survey to the look-and-feel of your school website
- add selected questions relevant to your school's context
- run each survey at the requested time
- provide you with a data and graphics report for each survey.
